**BRIGADE COMMANDERS BRIEFING:** I strongly believe we should never forget what has gone before. As a little girl, I lived very near to the Royal Star and Garter Home for seriously injured servicemen on Richmond Hill I was curious and so visited and talked to the elderly soldiers in their wheelchairs. These are memories and emotions I have never forgotten. This is my way of honouring those men, and ail who have fought to protect us, before and now, including my wonderful ex-Marine Commando Dad, RIP xxx.

Thank you to the wonderful cast and the entire Caroline team for bringing this show alive.

**Brigadier Wright, C**
